

**ENGLISH ICE HOCKEY ASSOCIATION LTD
(By Guarantee)**

To all Participating Clubs and Teams

Please can all clubs fill in one of the affiliation forms attached, and return to the address below, by post only with signatures and all relevant details completed

Over the years there has been some confusion with paperwork, so to get everything in order, I am going to start again.

The EIHA is Limited by guarantee, in other words there are no shares, and there is no share capital. Every club or team is equal, and will be affiliated exactly the same. Once affiliated each club or team is registered to vote at the Company AGM.

If your club has six teams and you wish to have six votes, then six forms must be filled out. If your club only wants one vote for all its teams, then only send one form back. You must be very precise with the age group etc, when filling out more than one form. When making the decision as to how many forms to fill in, please be aware that people in attendance of an AGM will only have one vote, unless a proxy voting form has been sent to me 21 days before the Meeting.

All forms that are not correct will be deemed null and void. It is also important that when the contact changes for the club or team, that I am notified in order to keep all records correct.

I hope that the above is clear and makes sense, any questions please email me on ijones@eiha.orangehome.co.uk

For and on behalf of the EIHA
